

# Beauty Of The Land

OST Riki Rhino Movie

Music Composed by Elwin Hendrijanto

Lyrics by Neysa Ayu Pratignyo

Do = D

**D** **G/D**  
There's a place where the mountain forest and seas  
**D** **D**  
Stretch as far as you and I can see  
**D** **G/D**  
Hear the trees grow so tall they can feel the breeze  
**D** **D**  
and the animals are all roaming free

**Bm** **A**  
Living in harmony  
**G** **F#m**  
That's the way it should be  
**Em** **G/A** **A**  
We are all part of earth's family  
**Bm** **A**  
And not one is the same  
**G** **F#m**  
yet we stand in one name  
**Em** **A**  
Come together with nature as one

**D**  
For the beauty of the land  
**G**  
For the beauty of the seas  
**Bm** **A**  
Can be seen from all the corners of the world  
**D**  
Let us stand hand in hand  
**G**  
For our forest and our trees  
**Bm** **A** **D**  
To build the future for this land we call our home
